

TOUR & GOOD USE GUIDE TO CAMPER VANS AND RVS IN THE VAL D'ARAN

If life on the road is what you're into and you would like to explore the Val d'Aran, this is for you.

www.campingverneda.com

LIFE ON THE ROAD, BETTER LIVING

If you're looking for a different destination, something with an alpine landscape and an inmeasurable variety of tourism activities, the Val d'Aran is the place to you

Mountains, lakes, meadows and rivers encompass the local scenery; this corner of the pyrenees of unrefutable beauty is a must for any nature-lover.

However, if you come here with your camper van or RV, there are certain aspects to account for to get the best out of your experience in our valley of valleys.

LIMITED ACCESS

A lot of the trails that give way to the waterfalls or hiking routes are through forest tracks which, although paved, may be very thin and bendy. For this reason, and to ensure road safety, during the peak season of summer, access to this natural sites is strictly regulated.

What vehicles are restricted?

- +2 meter (6.56 ft) tall
- +3.5 Ton (6,600 lbs)
- +6 meter (19.6 ft) long

Where?

Saut deth Pish

Bassa d'Arres

Artiga de Lin

Aiguamòg

Bassa d'Oles

Carlac forest

Valarties

WHAT CAN YOU DO TO GET THERE?

1. Walk up to the natural areas.

2. Book a taxi cab.

3. If you have the chance to come with a motorcycle, do not hesitate, do it!

4. Bike up! Ride a bicycle all the way there, enjoy the countryside all the while.

Bring your own or rent one here.

THE MUST-HAVE APP
